BACKGROUND AND LEGISLATION

BACKGROUND

The Best Start, Best Life reform will help all Victorian children dream even bigger through increased access to quality early childhood education and care. A critical part of the reform is Free Kinder, which will support access to two years of high-quality kindergarten programs for all Victorian children. All families with a child enrolled in a funded kindergarten program are eligible for Free Kindergarten, this includes both 3 and 4-year-old kindergarten programs.

Free Kinder supports families to access a funded kindergarten program by:

- providing a free 15-hour program to four-year-old children enrolled at a sessional service
- providing a free 5-to-15-hour program to three-year-old children enrolled at a sessional service (subject to the length of funded program offered)
- offsetting the funded kindergarten program component of parent fees for three and four-year-old children enrolled at a long day care service

Free kinder supports every Victorian child to get the best start in life no matter where they live. Research shows that play-based learning is a powerful way to support children's learning and development. Two years of early learning is a crucial part of their educational journey, these benefits last into the school years and beyond.

Regulation 168(2) (n) of the Education and Care Services National Regulations 2011 requires that funded services have a comprehensive written fees policy, and the content of this policy must be communicated to families. Any voluntary parent donations and/or fundraising must comply with the Free Kinder subsidy guidelines and be responsive to the local community.

DEFINITIONS

The terms defined in this section relate specifically to this policy. For regularly used terms e.g. Approved provider, Nominated supervisor, Notifiable complaints, Serious incidents, Duty of care, etc. refer to the Definitions file of the PolicyWorks catalogue.

Approved child care: Approved child care services are services that have Australian Government approval to receive the Child Care Subsidy (*refer to Definitions*) on behalf of eligible parents. Approved child care includes centre-based day care, including long day care and occasional care, family day care, outside school hours care and in-home care.

Early Start Kindergarten (ESK): A funding program that provides eligible children 15 hours of free or low cost kindergarten program each week for two years before starting school. To be eligible a child must be 3 by 30 April in the year they start kindergarten and be from a refugee or asylum seeker background, or identify as Aboriginal or Torres Strait Islander, or the family has had contact with child protection. Details are available at: www.vic.gov.au/early-start-kindergarten If a child is eligible for ESK, they should be enrolled in ESK, even where Free Kinder and/or 15 hours per week of funded three-year old kindergarten is offered. This ensures eligible children have priority access to 15 hours of funded kindergarten provided by an early childhood teacher and that service providers receive additional funding and support. ESK enrolments contribute to School Readiness Funding (SRF) calculations for service providers. It also allows the Department to continue to monitor efforts to engage the most vulnerable children in kindergarten across Victoria and provide additional targeted support where required through SRF or Early Childhood LOOKOUT.

Excursion/service event charge: An additional charge required to meet the cost of special events or excursions that occur in response to emerging children's program needs. Events that are planned ahead and are included as an expenditure item in the service's budget do not incur this additional charge (*refer to Excursions and Service Events Policy*)

Fees: A charge for program hours over and above the 15 funded hours per week (600 per year) and/or wrap around care.

Free Kinder: A Victorian Government Best Start, Best Life initiative providing Free Kinder programs for four-year-old and three-year-old children in funded services, that have opted into the initiative.

Free Kinder supports families to access a funded kindergarten program by:

- providing a free 15-hour program to 4-year-old children enrolled at a sessional service
- providing a free 5 to 15-hour program to 3-year old children enrolled at a sessional service (subject to the length of funded program offered)

- offsetting the funded kindergarten program component of parent fees for 3 and 4-year-old children enrolled at a long day care service.

Funded Kindergarten: The Victorian Government provides funding to support children to access a high-quality kindergarten program in the two years before they start school. The funding is a contribution towards meeting the cost of the kindergarten program. Funded kindergartens charge fees to help meet the cost of running kindergarten programs. Fees are set by individual kindergartens and depend on things like how many hours children attend and whether there are extra costs such as excursions.

Pre-Prep: Four-Year-Old Kindergarten will gradually transition to Pre-Prep over the next decade from 2025. Funded kindergarten hours will double from 15 to up to 30 hours a week. Pre-Prep will be delivered through sessional kindergartens and long-day-care centres. By 2032, children across Victoria will have access to 1,800 hours of funded kindergarten before school, comprising 600 hours of Three-Year-Old Kindergarten and 1,200 hours of Pre-Prep.

Voluntary parent/guardian payment/donation: A voluntary payment/donation for items not directly related to the provision of the children’s program. Explicit and written agreement from a parent is required for any voluntary payments. Attendance at the service is not conditional on this payment.

Extended Care: care that is provided by a kindergarten service to kindergarten children outside of the 10 & 15 hours per week program. Extended care fees are not funded by the Victorian Government. Extended care is a charge payable by families who are enrolled in the program.

4. Payment of fees for extended care.

Fees are payable for Extended care.

The Committee of Management will regularly review payment options and procedures to ensure that they are inclusive and sensitive to families' cultural and financial situations.

Fees will be invoiced to parents/guardians directly and must be paid by the date indicated on the invoice. Each invoice will be accompanied by payment instructions. The first term's fees must be received in full prior to the child commencing at the service. For children enrolled after the commencement of a term, a pro rata invoice will be issued and must be paid in full within 14 days of the child's commencement at the service. Receipts will be provided for all fee payments if requested.

Parents/guardians experiencing difficulty in paying fees are requested to contact the treasurer@chelseaheightskinder.vic.edu.au to arrange a suitable alternative payment plan. The *Privacy and Confidentiality Policy* of the service will be complied with at all times in relation to a family's financial/personal circumstances.

5. Unpaid fees for extended care.

If fees are not paid by the due date, the following steps will be taken.

- An initial reminder letter will be sent to parents/guardians with a specified payment date, and will include information on a range of support options available for the family.
- Where payment is still not received, families will be invited to attend a meeting to discuss the range of support options available and establish a payment plan.
- Failure to attend the meeting and continued non-payment may result in a second and final letter notifying parents/guardians that the child's place at the service may be withdrawn unless payment is made or a payment plan is entered into within a specified period of time. This letter will also include information on a range of support options available for the family.
- The Committee of Management will continue to offer support and will reserve the right to employ the services of a debt collector.
- If a decision is made to withdraw the child's place at the service, the parents/guardians will be provided with 14 days' notice in writing.
- No further enrolments of children from the parents/guardians will be accepted until all outstanding fees have been paid.

6. Refund of fees

The extended care enrolment deposit of \$100 will be deducted from the term 1 extended care fees.

There will be NO refund of these extended care fees in the following circumstances:

- Child's illness
- Public holidays
- Family holiday during operational times
- Closure of the service for one or more days when a qualified educator is absent and a qualified reliever is not available
- Closure of the service for staff training days
- Closure of the service due to extreme and unavoidable circumstances

7. Support services

Families experiencing financial hardship often require access to family support services. Information on these services may be available from the kindergarten service provider or alternatively families may contact the local council.

8. Notification of fee changes during the year for extended care.

Fees set for the year would only be reviewed in extraordinary circumstances, for example, if attendance rates fall below the budget 'break even' point. Parents/guardians will be notified in advance of any required fee increase and will be offered the option to request a payment plan.
